1.01 General

The general purpose of this Agreement is to establish and maintain collective bargaining relations, and to establish and maintain mutually satisfactory working conditions, hours of work, and wages for all employees who are subject to the provisions of this Agreement and, further, to provide procedures for the prompt and equitable disposition of grievances.

ARTICLE 2 – DEFINITION OF EMPLOYEES

2.01 Full-time employee: an employee who is regularly scheduled to work seventy-five (75) hours bi-weekly.

2.02 Part-time employee: an employee who is regularly scheduled and works less than seventy-five (75) hours-biweekly.

2.03 Casual employee: an employee who is called in to work on an on call basis, but does not work a regular schedule, or does so only for a specific period. Such employee shall be required to work a minimum of one (1) call in per pay period or she shall be removed from the call in list permanently. This only applies when the casual employee is called to work by the employer. Casual employees shall be eligible for call-ins, Casual employees may accept scheduled shifts only after part-time employees have been offered scheduled work.

ARTICLE 3 – MANAGEMENT RIGHTS

3.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Employer and, without limiting the generality of the foregoing; it is the exclusive function of the Employer:
(a) to determine and establish standards and procedures for the care, welfare, safety, and comfort of the residents in the Nursing Home;

(b) to maintain order, discipline, and efficiency, and in connection therewith to establish and enforce reasonable rules and regulations. Such rules will be made available to all employees and to the Local Union. The Employer reserves the right to introduce new rules from time to time, copies of which will also be made available to all employees and to the Union. The Employer agrees to consider any representation made by the Union concerning any change in rules or introduction of new rules;

(c) to hire, transfer, lay-off, recall, determine the length and number of shifts, promote, demote, classify, assign duties, discharge, suspend or otherwise discipline employees, provided that a claim of discriminatory transfer, promotion, demotion of classification or a claim that an employee who has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided.

(d) to have the right to plan, direct and control the work of the employees and the operations of the Nursing Home. This includes the right to introduce new and improved methods, facilities, equipment, and to control the amount of supervision necessary, combining or splitting up of departments, work schedules, and the increase or reduction of personnel in any particular area or on the whole.

The Employer, in exercise of its responsibilities, will not violate any terms of this Agreement or the laws governing the operation.
ARTICLE 4 – NO DISCRIMINATION

4.01 The Employer and the Union agree that there will be no intimidation, coercion, or discrimination exercised by either party because of an employee's membership or non-membership in the Union or because of an employee's activity or lack of activity in the Union.

4.02 The Union and the Employer agree to abide by the Human Rights Code.

ARTICLE 5 – SCOPE AND RECOGNITION

5.01 The Employer recognizes the Union as the bargaining agent for all employees of Land O'Lakes Community Services carrying on business as Pine Meadow Nursing Home in the township of Addington Highlands save and except supervisors, persons above the rank of supervisors, office and clerical staff.

5.02 It shall be a condition of employment that all employees pay Union dues as prescribed by the Union’s Constitution. The Union will be responsible for informing the Employer, in writing, of any change in the amount of the dues, fees, or assessments.

5.03 The Employer shall deduct Union dues including, where applicable, initiation fees and assessments, on a bi-weekly basis, from the total earnings of each employee covered by this agreement. The amount of dues shall be calculated in accordance with the Union's Constitution.

5.04 All dues, initiation fees and assessments shall be remitted to the Union forthwith and in any event no later than 21 days following the last day of the month in which the remittance was deducted. The remittance shall be sent to the International Secretary Treasurer of the United Steelworkers, AFL-CIO-CLC, P.O. Box 13083 Postal Station "A", Toronto Ontario M5W 1V7 in such from as shall be directed.

5.05 The remittance and the R-115 form shall be accompanied by a statement containing the following information:

(a) A list of the names of all employees from whom dues were deducted and the amount of dues deducted;

(b) This information shall be sent to both Union addresses identified in article 5.04 in such form as shall be directed by the Union to the Company.

5.06 The Union shall indemnify and save the Employer harmless against all claims or other forms of liability that may arise out of any actions taken by the Employer in compliance with the article.

5.07 The Employer, when preparing T-4 slips for the employees, will enter the amount of Union dues paid by the employee during the previous year.

5.08 The Union and its members shall save the Employer harmless from any liability which the Employer may incur as a result of said deductions.

5.09 **Contracting Out**

The Employer shall not contract out any work usually performed by members of the bargaining unit if, as a result of such contracting-out, a lay-off of any employees other than casual part-time employees results from such contracting-out. Contracting-out to an Employer who is organized and who will employ the employees who would otherwise be laid off with similar terms and conditions of employment is not a breach of this Agreement.
5.10 **Work of the Bargaining Unit**

Persons whose jobs are excluded from the bargaining unit shall not perform duties normally performed by employees in the bargaining unit which shall cause or result in the layoff or reduction in hours of work of an employee in the bargaining unit.

**ARTICLE 6 – UNION REPRESENTATION**

6.01 The Employer acknowledges the right of the Union to appoint up to four (4) stewards, one of which shall be the Chairperson, for the purpose of representing employees in the handling of complaints and grievances.

6.02 The Union will advise the Employer of the names of stewards and chairperson and any changes made thereto. It is understood that the chairperson may serve as an ex-officio member on all Union committees.

6.03 (a) The Employer agrees to recognize the grievance committee of up to two (2) members, which may include the chairperson, and shall meet with the said committee in line with the grievance procedure.

(b) All members of the committee shall be employees of the Employer who have completed their probationary period.

6.04 (a) The Union recognizes and agrees that all stewards including the chairperson have regular duties to perform in connection with their employment. Unless specifically authorized by the Employer, the work of the stewards shall not be carried on during working hours. It shall be the duty and function of stewards to assist in the carrying out of the terms and provisions of this Collective Agreement including the adjustment of all grievances and complaints. Therefore, when the legitimate concern of a grievance that can not be carried on outside of regular working hours
requires the steward to leave their department or floor he/she shall first receive permission from her supervisor. Such permission shall not be unreasonably withheld.

(b) Subject to the limitations of 6.03, any regularly scheduled time lost due to meetings convened by the Employer shall be paid by the Employer.

6.05 Negotiating Committee

(a) The Employer acknowledges the right of the Union to appoint or otherwise select up to three (3) employees, (including the chairperson), as a negotiating committee and will recognize and deal with the said committee. The Employer will reimburse up to three (3) members of the committee for scheduled time lost while meeting with the Employer up to but not including arbitration. Payment will be at the employee’s straight time hourly rate.

(b) The negotiating committee is a separate entity from other committees and will deal only with such matters as are properly the subject of negotiations.

6.06 Labour-Management Committee

(a) Where there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee meeting during the term of this Agreement, the following shall apply.

(b) An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for such meeting will be made in writing at least one (1) week prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of a grievance or matters that are properly the subject of negotiations for the amendment or renewal of this Agreement.
(c) A representative attending such meeting shall be paid for wages lost from regularly scheduled hours. A Union staff member may attend as representative of the Union. Meetings will be held quarterly unless otherwise agreed.

6.07 The Employer acknowledges that the Local Unit may be assisted by a full-time Representative of the Union and hereby agrees to grant reasonable access to such Representative for such assistance.

6.08 Unless specifically set out elsewhere, up to three (3) bargaining unit members of any committee recognized by the Employer shall be paid at their regular straight time hourly rate for scheduled time spent in meetings convened by the Employer. Any payments which may be required by any statute shall not be duplicated by the operation of this clause.

6.09 It is mutually agreed that arrangements will be made for a Union Representative to interview each new employee in the bargaining unit once during the first thirty (30) days of employment for the purpose of informing such employee of the existence of the Union in the Nursing Home. The Employer shall advise the Union monthly as to the names of new hires and the parties shall mutually agree on the time and place on the premises of the Employer for each such interview, the duration of which shall not exceed thirty (30) minutes.

ARTICLE 7 – NO STRIKES OR LOCK-OUTS

7.01 The Union agrees that there shall be no strikes and the Employer agrees that there shall be no lockouts during the term of this Agreement. The meaning of the words "strike" and "lock-out" shall be as defined in the Ontario Labour Relations Act, as amended.
ARTICLE 8 – COMPLAINTS AND GRIEVANCES

8.01 (a) For purposes of this Agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of the Agreement, including any questions as to whether a matter is arbitrable.

(b) The Employer agrees to continue the pay of any grievance committee member, for all time spent in grievance meetings provided the meeting is during their regularly scheduled shift.

8.02 It is the mutual desire of the parties that all complaints and grievances be adjusted as quickly as possible. It is understood that any employee may present an oral complaint to their immediate supervisor without resorting to the Grievance Procedure below. If, upon completion of said discussion, the matter is not resolved, it may be grieved and disposed of in the following manner.

8.03 STEP NO. 1
The employee may submit a written grievance to their immediate supervisor. Such grievance must be submitted within fourteen (14) calendar days of the occurrence of the event which gave rise to the grievance and must be signed by the employee claimed to be aggrieved. The member of management to whom the grievance was submitted shall submit the answer in writing to the Steward, within seven (7) calendar days of the filing of the grievance at Step No. 1.

8.04 STEP NO. 2
If further action is to be taken, then within seven (7) calendar days after the decision is given in Step No. 1, the grievance shall be submitted in writing to the Administrator/DOC. A meeting will then be held between the Administrator/DOC or her designated representative and the employee within seven (7) calendar days of
receiving the written grievance. It is understood that at such a meeting the Employer may have such counsel and assistance as she may desire, and that the employee may be represented by the grievance committee or alternate and a staff representative of the Union as applicable. The decision of the Employer shall be given in writing to the Union within seven (7) calendar days following the meeting.

Should the Employer fail to render its decision as required in Step No. 2, or failing settlement of any grievance under the foregoing procedure, the grievance may be referred to Arbitration by either the Employer or the Union in accordance with Article 10. If no written request for Arbitration is received within thirty (30) calendar days, after the decision under Step No. 2 is given, the grievance shall be deemed to have been abandoned and the same grievance shall not be the subject matter of a further grievance.

8.05 Any of the time limits above may be extended by mutual agreement of the parties.

8.06 The Employer, when meeting with the Unit, and/or the Union Representative, shall supply the necessary facilities for the grievance meetings.

8.07 The employee may have the assistance of a steward or other Union Representative at all stages of the complaint and grievance procedure and arbitration.

ARTICLE 9 – POLICY GRIEVANCES

9.01 The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement by the Union, in writing, at Step No. 2 of the grievance procedure, by forwarding a written statement of said grievance to the Unit Chairperson of the Union, providing it is presented within fourteen (14) calendar days after the circumstances giving rise to the grievance have originated or occurred. The Unit Chairperson of the Union shall give her decision in
writing within fourteen (14) calendar days after receiving the written grievance and failing settlement, the grievance may be referred to Arbitration by the Employer in accordance with Article 8.04.

9.02 The Union may institute a grievance consisting of an allegation of a general misinterpretation or a violation by the Employer of this Agreement in writing at Step No. 2 of the grievance procedure, providing that it is presented within fourteen (14) calendar days after the circumstances giving rise to the grievance have originated or occurred. However, it is expressly understood that the provisions of this clause may not be used to initiate a grievance directly affecting an employee which such employee could initiate and the regular grievance procedure shall not be thereby bypassed.

9.03 Group Grievance
Where two (2) or more employees have the same grievance, the Union may process the grievances simultaneously and consecutively beginning at Step No. 1 of the grievance and arbitration procedures. If the grievances are submitted on one grievance form, all grieving employees must be listed and have signed the grievance.

ARTICLE 10 – ARBITRATION

10.01 (a) Both parties to this Agreement agree that any difference or grievance which has been properly carried through all steps of the grievance procedure outlined, and which has not been settled will, at the written request of either of the parties, be referred to an arbitrator within thirty (30) calendar days of receipt of the reply at the final step.

(b) No matter may be submitted to arbitration which has not first been properly carried through all preceding steps of the grievance procedure.
10.02 When either party refers a grievance to arbitration, they shall propose three (3) acceptable arbitrators. If none of the proposed arbitrators are acceptable to the other party, other arbitrators may be proposed by either party. If an acceptable arbitrator is not agreed upon within seven (7) calendar days, the parties may either submit more proposed arbitrators or request the Ministry of Labour to appoint an arbitrator.

10.03 In regard to the decision on the grievance which was submitted, the jurisdiction of the arbitrator is limited to the stipulations of the Agreement and the arbitrator shall not have the right to add, delete, change or amend this Agreement in any way.

10.04 Except where otherwise provided for in this Agreement, each of the parties will bear its own expense including the expenses of witnesses which it called with respect to any arbitration proceedings. The fee and expenses of the arbitrator shall be paid equally by the parties.

10.05 The decision of an arbitrator, including the arbitrability of a grievance, is final and binding upon the parties.

10.06 At any stage of the grievance procedure, including Arbitration, the parties may have the assistance of the employee (or employees) concerned as a witness, and all reasonable arrangements will be made to permit the conferring parties or the Arbitrator to have access to any part of the nursing home to view any working conditions which may be relevant to the settlement of the grievance, at a reasonable time and so as not interfere with the function of the Nursing Home.

10.07 Notwithstanding the Arbitration Procedure set out above, the parties may mutually agree to a tri-partite board.
ARTICLE 11 – DISCIPLINE

11.01 Grievance - Suspension or Discharge

(a) In the event of an employee being suspended or discharged from employment, and the employee feeling that an injustice has been done, the case may be taken up as a grievance.

(b) All such cases shall be taken up within fourteen (14) calendar days of the date the employee is notified of their suspension or discharge. Such a claim by an employee shall be treated as a grievance if a written statement of such grievance is lodged with the Administrator/DOC within fourteen (14) calendar days after the employee is notified of her suspension or discharge. All steps of the grievance procedure prior to Step No. 2 may be omitted in such cases.

(c) Such special grievances may be settled by confirming the Employer's action or by reinstating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Arbitrator, as the case may be.

11.02 An employee subject to disciplinary action up to and including discharge shall have the right, if she so requests, to the presence of a Union Steward or if a steward is not available, a member representative of the employee's choice who is working on the current shift. The Union Chairperson shall receive a copy of the discipline.

11.03 Access to File

Upon giving two (2) working days notice, an employee shall have the opportunity to review the contents of her personnel file in the presence of a representative of the Employer. The employee may have her steward present upon her request. Any employee shall be limited to one (1) review per year.
11.04 No disciplinary notice shall be used against an employee after a lapse of eighteen (18) months following a suspension or disciplinary action provided that there has been no further related action by the employee requiring discipline within an eighteen (18) month period. Notwithstanding this provision, the Employer and the Union agree that any disciplinary action taken by the Employer as a result of resident abuse shall remain on the employee’s file permanently.

11.05 Any disciplinary action against an employee must be taken within a period of fourteen (14) calendar days from the date of the infraction, or the date upon which the Employer becomes aware of the infraction.

ARTICLE 12 – SENIORITY

12.01 Whenever they are used in the Collective Agreement, the terms seniority and service shall be deemed to refer to length of employment subject to the following conditions:

(a) It is understood that during an approved absence not paid by the Employer not exceeding thirty (30) continuous calendar days or any approved absence paid by the Home, both seniority and service will accrue.

(b) During an absence not paid by the Employer exceeding thirty (30) continuous calendar days other than an absence under the pregnancy and parental leave provisions, credit for service for purposes of salary increment, vacation, sick leave, or any other benefits under any provisions of the Collective Agreement or elsewhere, shall be suspended, the benefits concerned appropriately reduced on a prorata basis and the employee’s anniversary date adjusted accordingly. In addition, the employee will become responsible for the full cost of subsidized employee benefits premiums in which he/she is participating for the period of the absence.
(c) It is further understood that during the period of such absence not paid by the Employer which exceeds thirty (30) continuous calendar days, credit for seniority for purposes of promotion, demotion, transfer or lay-off shall be suspended and will not accrue during the period of absence. Notwithstanding this provision seniority shall accrue during the pregnancy and parental leave and/or for a period of two (2) years if an employee's absence is due to a disability resulting in WSIB benefits.

(d) For the purpose of this provision, it is agreed that absence on paid sick leave or Employment Insurance sick benefits shall be considered leave with pay.

12.02 (a) Seniority and service for full-time employees is a ranking based on their length of employment from date last hired.

(b) Seniority and service for part-time and casual employees shall accumulate based on eighteen hundred (1800) hours paid by the Employer from date of last hire.

(c) (i) An employee whose status is changed from part-time to full-time shall receive credit for her part-time seniority on the basis of one (1) year for each eighteen hundred (1800) hours of part-time seniority.

(ii) An employee whose status is changed from full-time to part-time shall receive eighteen hundred (1800) hours of part-time seniority for every full year of full-time service.

(iii) Any time worked in excess of an equivalent shall be prorated at the time of transfer.

12.03 Probationary Employees
Newly hired employees shall be on probation for a period of four hundred and fifty (450) hours worked from the date of last hire. This 450 hours must be worked within Twelve (12) calendar months from their most recent date of hire. During the probationary period, employees shall be entitled to all rights and privileges of this Agreement, except with respect to discharge. An employee who has not completed her probationary period may be discharged based on a fair and proper assessment against reasonable standards of performance and suitability. After completion of the probationary period, seniority shall be effective from the original date of last hire. The employer shall not grant leaves of absence to probationary employees until they reach seniority status.

The employer shall have the right to extend the probationary period by a further two hundred and twenty five (225) hours.

12.04 (a) A seniority list will be developed and posted in January and July of each year, setting out seniority by department and classification. A copy of the list will be sent to the Unit Chairperson.

(b) In the event of a job posting, layoff or recall, the seniority of employees as of the end of the prior pay period shall be available.

12.05 An employee shall lose all seniority and their employment deemed to be terminated if he/she:

(a) voluntarily resigns or retires;

(b) is discharged for just cause and not reinstated through the grievance and arbitration procedure;
(c) is absent from work for more than twenty-four (24) months by reason of illness or physical disability not covered by the Workplace Safety and Insurance Board where it can be shown that the prognosis shows no possibility of a return to work;

(d) is absent from work for more than twenty-four (24) months by reason of layoff;

(e) is absent from work without a reasonable excuse, for more than three (3) consecutive days on which she is scheduled to work.

(f) fails to return to work from an authorized leave of absence unless a reason satisfactory to the Employer is provided.

(g) fails to report for work within seven (7) calendar days after mailing date of a registered letter from the Employer calling an employee back to work from a layoff, unless absent for a reason satisfactory to the Employer.

(h) is a probationary employee and fails to work the four hundred and fifty (450) hours within the twelve (12) month period. The employer shall have the right to rehire a terminated probationary employee provided they restart the four hundred and fifty (450) hour probationary period.

12.06 It is the duty of each employee to notify the Employer in writing of any change in address and telephone number. If an employee fails to do so the Employer will not be responsible for failure of a notice to reach such employee.

12.07 An employee who is transferred to a position outside the bargaining unit shall not accumulate seniority. In the event the employee is returned by the Employer to a position in the bargaining unit, he/she shall be credited with the seniority held at time of transfer and resume accumulation from the date of return to the bargaining unit.
12.08 When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying classification in the bargaining unit for a period in excess of one-half (1/2) of a shift, she shall be paid the rate in the higher salary range immediately above her current rate from the commencement of the shift on which she was assigned the job. No temporary transfer shall result in an employee being paid less than their current rate.

(a) Where an RN is absent from her normal shift, and the Employer temporarily assigns an RPN to carry out some additional responsibilities of the absent RN for a period in excess of one half (1/2) a shift, the employee shall receive an allowance of eight dollars ($8.00) for each shift.

12.09 In cases of promotions, demotions, permanent transfers, layoffs, recalls, and the reduction or increase in daily or weekly hours; qualifications, experience, ability and seniority will apply in accordance with the provisions of this Collective Agreement.

ARTICLE 13 – LAY-OFF AND RECALL

13.01 (a) In the event of a proposed layoff of a permanent or long-term nature, the Employer will provide the Union with as much notice as possible prior to its implementation. This notice is not in addition to required notice for individual employees.

The layoff of casuals and part time employees shall be based on the total accumulated hours worked from their most recent date of hire.

(b) In the event of a layoff of a permanent or long-term nature, the Employer will provide affected employees with notice in accordance with the Employment Standards Act. However, the Employment Standards will be deemed to be amended to provide notice to the affected employee as follows:
(i) if their service is greater than 9 years - 9 weeks notice
(ii) if their service is greater than 10 years - 10 weeks notice
(iii) if their service is greater than 11 years - 11 weeks notice
(iv) if their service is greater than 12 years - 12 weeks notice

13.02 Lay-off Procedure

(a) In the event of lay-off, the Employer shall lay off employees in the reverse order of their seniority within their classification, provided that they remain on the job employees who have the ability and qualifications as required by law to perform the work.

(b) An employee who is subject to lay-off shall have the right to either:

(i) accept the lay-off; or

(ii) displace an employee who has lesser bargaining unit seniority and who is the least senior employee in a lower or identical paying classification in the bargaining unit if the employee originally subject to lay-off is qualified for and can perform the duties of the lower or identical paying classification without training other than orientation. Such employee so displaced shall be laid off.

(iii) An identical paying classification shall include any classification where the straight time hourly wage rate at the level of service corresponding to that of the laid off employee is within two percent (2%) of the laid off employee's straight time hourly wage rate.

(iv) In the event that there are no employees with lesser seniority in lower or identical paying classifications as defined in this article, a laid-off employee will have the right to displace an employee with lesser seniority, who is the
least senior employee in a classification where the straight time hourly rate at the level of service corresponding to that of the laid off employee is within five percent (5%) of the laid off employee’s straight time hourly rate provided he is qualified for and can perform the duties without training other than orientation. Such employee so displaced shall be laid off.

(v) An employee will have up to three (3) calendar days after being informed of her layoff to exercise her bumping rights as set out above.

(vi) Part time employees shall not have their hours reduced and shared among casual employees to avoid the layoff of casuals.

13.03 Recall Rights

(a) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided she has the ability and qualifications as required by law to perform the work before such opening is filled on a regular basis under a job posting procedure. The posting procedure in the Collective Agreement shall not apply until the recall process has been completed. In determining the ability and qualifications as required by law as agreed between the parties of an employee to perform the work for the purposes of the paragraph above, the Employer shall not act in an arbitrary manner.

(b) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

(c) It is the sole responsibility of the employee who has been laid off to notify the Employer of his/her intention to return to work within seven (7) calendar days after being notified to do so by registered mail, (which notification shall be deemed to have been received on the second date of mailing) and return to work within
fourteen (14) calendar days after being notified. The notification shall state the job
to which the employee is eligible to be recalled and the date and time at which the
employee shall report for work.

(d) Employees on lay-off or notice of lay-off shall be given preference for temporary
vacancies which are expected to exceed twenty (20) days of work. An employee
who has been recalled to such temporary vacancy shall not be required to accept
such recall and may instead remain on lay-off. This provision supersedes the job
posting provision.

13.04 For purposes of layoff and recall, full-time and part-time seniority will be deemed to
be merged. It is understood and agreed that if a part-time employee bumps a full-
time employee as part of the above-noted procedure, the part-time employee is
accepting the full-time position only.

13.05 Grievances concerning layoffs and recalls shall be initiated at Step No. 2 of the
Grievance Procedure.

ARTICLE 14 – JOB POSTINGS AND TRANSFERS

14.01 Permanent Job Postings

(a) When a vacancy occurs or a new permanent position is created within the
bargaining unit, (unless the Employer notifies the Union in writing that it intends to
postpone or not fill a vacancy), the Employer shall post notice of the position on the
bulletin board for a minimum of seven (7) calendar days in order that members may
make written application thereto. The name of the successful applicant shall be
posted on the bulletin board within fourteen (14) days of the end of the posting
period.
(b) Job postings shall stipulate classification, department, wage rate or range, bi-weekly hours and required qualifications.

(c) Until the vacancy is filled resulting from the job posting provisions, the Employer is free to fill the vacancy on a temporary basis as it sees fit.

(d) If no applications are received by 1000 hours of the seventh (7th) calendar day following the posting date, the Employer may proceed to fill the position from outside the bargaining unit.

### 14.02 Temporary Job Postings

(a) A temporary vacancy which is anticipated by the Employer to be for six (6) weeks or more will be posted and shall indicate the estimated duration. Upon termination of the temporary posting, the employee filling the vacancy shall be returned to the classification and job location in which he/she last worked. In the event that a part-time employee is the successful applicant, the said employee shall retain his/her part-time status during the limited full-time period.

(b) (i) Temporary vacancies anticipated to be less than six (6) weeks duration shall not be posted, unless otherwise agreed between the Employer and the Union. The Employer will endeavour to distribute shifts as equally as possible.

   ii) Upon termination of a temporary position, where two (2) or more employees have posted into a temporary position in the same classification, the employee with the lesser seniority filling the vacancy shall be returned to the classification and job location in which she last worked.

(c) The topic of temporary postings is agreed to be an appropriate subject for discussion at the labour/management committee.

### 14.03 Trial Period
The successful applicant to a permanent new position shall have a trial period of three hundred and twenty-five (325) hours of work, during which she shall be provided with reasonable orientation. Upon successful completion of her trial period the promotion shall become permanent. PINE MEADOW NURSING HOME

(Hereinafter called the "Union")

The Pay Equity Agreement applies to all employees represented by the Union employed by the Employer.

The parties agree that the classifications in the Collective Agreements constitute female job classes and the current differentials between job classifications in the bargaining unit shall be maintained, except as it may be modified in collective bargaining.

The adjustments in the Memorandum of Settlement dated September 4, 2003 resolve all current outstanding pay equity issues and the obligations under the Proxy Pay Equity plan to the expiry of the agreements negotiated on September 4, 2003. The parties further agree that the further fifty-seven cents ($0.57) which will be subject to available government pay equity funding, will satisfy all obligations under the pay equity plan. If the Employer is subsequently paid monies from the government of Ontario for pay equity purposes and such payments would provide a greater benefit the Employer will pay such monies to the affected employees.
When the funding from the government becomes available for pay equity liabilities as per the Memorandum of Settlement Re Court file No. 01-CV-214432 all monies made available for staff represented by USW will be distributed as soon as possible but no later than four (4) pay periods after the funds are received.

Pay equity adjustments shall be posted as required by law.

This provision shall not prejudice the right of the Union to negotiate and proceed to Mediation and Arbitration for the period(s) following the expiry of the agreements negotiated on September 4, 2003.

Any new classifications that may be created in the bargaining unit shall be deemed to achieve pay equity through the application of the “new classification” clauses of the Collective Agreements.

The parties agree that there was no requirement for a pay equity adjustment at times other than those agreed by the parties.

The parties agree that this agreement satisfies any and all requirements of the Pay Equity Act.

LETTER OF UNDERSTANDING # 4

FOR REGISTERED STAFF AND EXTENDED TOURS

The parties agree that the employer can initiate a trial period of six months for 12 hours shifts for registered staff based, if the majority of registered staff votes in favour of the trial.

If the employer makes the proposal to start a 6 month trial period, the Union will conduct a vote within 30 days. If the majority vote is against the 12 hour tours, the 12 concept will not proceed.

If the 6 month trial period is accepted, and if the employer wants to continue to utilize 12 hour shifts it will notify the Union. The Union will conduct another majority rule vote for a further 12 month period. If the majority vote is against the 12 hour tours, the 12 hour concept will not proceed.

The parties will review the results of the trials in the next round of negotiations.

The employer can stop the trial at any time.

The following amendments would apply to the trial periods.

15.01 (a) Except for Registered Staff scheduled 12 hour shifts, The normal hours of work for a full-time employee shall be seven and one-half (7½) hours per day, (excluding a one-half (½) hour unpaid meal period), and seventy-five (75) hours biweekly.
If Registered Staff are working a 12 hour day shift, it shall be comprised of 11.25 paid hours and 45 minutes of unpaid meal breaks (to be scheduled as agreed between the parties).

If Registered Staff are working a 12 hour night shift, it shall be comprised of 11.25 paid hours and 45 minutes of paid meal breaks (to be scheduled as agreed between the parties).

The 12 hour shifts will average 78.75 paid hours bi-weekly for the day shift and 84 paid hours bi-weekly for the night shifts over the scheduling period.

Example 7 shifts multiplied by 11.25 hours = 78.75 bi-weekly
7 shifts multiplied by 12 hours = 84 hours bi-weekly

16.01 (i) Except for registered staff scheduled 12 hour shifts, time and one-half (1½) for all authorized hours worked in excess of seven and one-half (7½) hours in any one day.

(ii) Except for registered staff scheduled 12 hour shifts, time and one-half (1½) for all authorized hours worked in excess of seventy-five (75) hours in a biweekly period.

(iii) If registered staff are working a 12 hour day shift, time and one half (1 ½) for all authorized hours worked in excess of seventy eight and three quarters (78.75) hours in a bi-weekly period.

(iv) If registered staff are working a 12 hour night shift, time and one half (1 ½) for all authorized hours worked in excess of seventy eight and three quarters (78.75) hours in a bi-weekly period.
If the shift cannot be filled after the proper overtime procedure has been followed, the employee with the lowest seniority within that classification, must stay and fill the shift if requested by their supervisor, to the operational needs of the home.

Other Provisions

(a) With the exception of the specific variations set forth in the Letter of Understanding, all other conditions and terms of the Collective Agreement and Appendices shall remain in full force and effect.

(b) Payment for bereavement leave is based on 11.25 hours for extended tours.

(c) Payment for vacation and paid holidays for full time employees is based on the equivalent to the 7.5 hour entitlement.

(d) Each shift shall have three 15 minute paid rest breaks.
