ARTICLE 10

DISCHARGE AND DISCIPLINARY ACTION

In the event that a period of twelve (12) calendar months has elapsed since a derogatory notation was placed upon an employee’s personnel record and no further derogatory notation has been placed against such employee’s personnel record during the twelve (12) calendar month period, such derogatory notation shall be removed from the employee’s personnel record unless mutually agreed between the parties or in the case of a suspension which an arbitrator imposes.

10.04 Probationary employees may have their employment terminated at the sole discretion of the employer and such termination shall not be the subject of a grievance unless the termination was arbitrary, discriminatory or in bad faith. 11.02 The Arbitration Procedure incorporated in this Agreement shall be based on the use of a single arbitrator.

11.03 The grieving party shall submit a list of three (3) arbitrators for consideration. 11.05 Except where otherwise provided for in this Agreement, each of the parties hereto will bear its own expense with respect to any arbitration proceedings. The parties hereto will bear jointly the expenses of the arbitrator on an equal basis.

11.06 The Arbitrator shall not be authorized, nor shall the Arbitrator assume authority to alter, or amend any part of this Agreement, nor to make any decision inconsistent with the provisions thereof, or to deal with any matter not covered by this Agreement.

11.07 The decision of the Arbitrator shall be final and binding on the Parties.

ARTICLE 12

SENIORITY

12.01 Probationary Employees

Newly hired employees shall serve a probationary period of sixty (60) days worked within a one hundred & twenty (120) day period and shall have no seniority rights during this period. Until a probationary employee shall obtain seniority status as herein before provided his name shall not appear on any seniority list. Upon completion of the probationary period, the employee's name shall be added to the seniority list dating from the first day of hire.

12.02 (a) There shall be two (2) types of seniority, being departmental and plant-wide seniority. One main plant-wide seniority list and one departmental seniority list shall be prepared to cover all employees who have completed their probationary period.

(b) In the event of a layoff or recall for a period which extends beyond the remainder of a working day or a working shift, an employee may exercise departmental seniority. In the event of a layoff or recall for a term in excess of five (5) working days, an employee may exercise
plant-wide seniority. The seniority right for an employee may be exercised provided he has
the skill, ability, experience and qualifications to perform the required work. In determining the
skill, ability, experience and qualifications of an employee under this Article, the Company
agrees that it will not act in an arbitrary manner.

(c) Permanent transfers will be based primarily on the skill, ability, experience and
qualifications of the employee concerned, but as between two persons of approximately equal
standing based on the above factors, seniority shall govern. The Company shall not
discriminate or act in an arbitrary manner and any employee who claims that he has been
discriminated against in this regard is entitled to invoke the grievance procedure. The filling of
supervisory positions shall not be subject to the provisions of this Agreement. This Article shall
not apply to transfers brought about due to layoff or because of a demotion.

(d) The decision as to whether an employee has the skill and ability to perform a particular
job will include the expectation that the employee will require up to a one (1) shift
familiarization period. This will not be interpreted as a training period. The employee must
have the skills necessary to perform the job before the job is awarded.

12.03 (a) Laid off employees shall be called back to work in the inverse order to that in which they
were laid off subject to the skill, ability, experience and qualifications of any employee to
perform the required work. Should any employee dispute a decision of the Company in this
regard, he may present a written grievance.

(b) Whenever there are employees on short term or long term layoff and the Company finds
it necessary to hire additional employees for new or unfilled classifications, the employees who
are on layoff shall be granted preference by the Company before hiring new employees.

12.04 Seniority shall be maintained and accumulated during;

1. Absence due to layoff, sickness or accident.
2. Authorized leave of absence.

12.05 An employee shall lose his seniority standing and his name shall be removed from all seniority
lists and his employment deemed terminated for any one of the following reasons:

1. if the employee voluntarily quits;

2. if the employee is discharged for just cause and is not reinstated in accordance with the
provisions of this Agreement;

3. a) If the employee is laid off and fails to return to work within ten (10) working days after
he has been notified to do so by the Company by telephone followed by registered mail to his
last known address and a copy of such notice shall be sent to the Union. It shall be the
employee’s responsibility to keep the Company notified as to any changes of his address or
telephone number, so that they will be up to date at all times. An employee to whom a
registered letter or telegram is sent in accordance with this Article, will have his job held open
to him for a further period of ten (10) days provided that he personally contacts the Company
within ten (10) working days of receipt of the notice of return to work. The Company shall have
the right to have the work performed without regard to seniority pending the return to work of
an employee under this Article;
4. If the employee has been on layoff for lack of work for a period of more than eighteen (18) consecutive months or the period equal to his seniority, whichever is lesser;

5. When an employee is absent without leave for a period greater than three (3) working days without providing an explanation satisfactory to the Company;

6. An employee who retires.

12.06 The Union will be provided with plant-wide and departmental up-to-date seniority list for each department on or about June 30 and December 31 of each year. Copies will be posted on the plant bulletin boards for employee inspection and copies of such seniority list shall be mailed to 25 Cecil Street, Toronto office of the Union. The Company also agrees that the seniority list provided to the Union will set out the employee’s classification and rate of pay.

12.07 Notice of Layoff
An employee who is sent home due to lack of work prior to the end of the employee’s regularly scheduled shift shall be given two (2) hours’ notice or be paid two (2) hours’ pay in lieu of notice at the employee’s base rate. It is understood that this provision does not apply in the case of accident or act of God such as power failure or equipment breakdown.

12.08 Job Vacancies
(a) Announcements of opportunities for all permanent job vacancies in new or existing jobs within the bargaining unit will be posted on the bulletin boards for a period of three (3) full working days prior to the filling of the job vacancy. Employees desiring consideration in the filling of the job vacancies shall signify their desire by signing the job notice during the period in which it is posted. All jobs will be filled within five (5) days from the date of removal of the job vacancy announcement.

(b) In filling any posted vacancy under this Article, the Company will consider the requirements of operations and the skill, ability, experience and qualifications of the individual to perform the normal required work and where these are, in the opinion of the Company, equal, seniority shall govern. If the job is not filled as a result of the posting or if no suitable applications are received, the Company reserves the right to hire. Except for a vacancy occasioned by the placing of the successful applicant in the position so posted, any further vacancy may be filled by the Company without posting.

(c) Jobs shall not be considered vacant when employees are not at work because of sickness, accident, or authorized leave of absence. However, if it is known that an employee is to be absent from work because of sickness, accident or on leave of absence for more than sixty (60) working days, the job shall be posted and the provisions of this Article shall apply. When the absent employee returns, the employee replacing him shall, if necessary, return to his previous job.

(d) Should any employee selected prove unsatisfactory within ten (10) working days, he may apply or may be required to be returned to his former job when another suitable employee can be found to fill the position. In the event that an employee selected proves unsatisfactory, the vacancy thereby occasioned may be filled without further posting.

(e) Any employee who has successfully bid under this Article shall not be entitled to bid on a posted job for six months from the date of his successful bid except by the mutual Agreement of the Company and the Union.
12.09 **Preferential Seniority**

The Plant Chairperson and the Steward shall have top seniority in the plant in case of layoff provided they have the skill, ability, experience and qualifications to perform the work in question.

12.10 Employees promoted to supervisory or other positions, which disqualify them from being subject to this Agreement, shall accumulate seniority for a period of six (6) months following such transfer and should such employees decide to return to the bargaining unit or are returned by the Company during the six (6) month period, they shall be returned to the job classification and department held by such employee immediately prior to such transfer. No employee subject to the above may return to the bargaining unit once the six (6) month period has expired, other than as a new employee.

**ARTICLE 13**

**LEAVE OF ABSENCE**

13.01 The Company in its sole discretion may grant a leave of absence of up to forty-five (45) calendar days without pay to employees for legitimate personal reasons. The employee may renew such a leave of absence at the end of the forty-five (45) day period. Leaves of Absence will not be granted to an employee for the purpose of working elsewhere. The Company agrees that its discretion will not be exercised in an arbitrary, discriminatory or bad faith fashion. If an employee feels that the Company's discretion in refusing a leave of absence has been exercised improperly, the employee may ask the Plant Manager to review the refusal by the employer giving full reasons for the leave of absence request and why the employee feels the request was denied improperly.

13.02 Any leave of absence granted by the Company shall be in writing and shall set out the length of the leave of absence granted, the purpose of the leave, and the terms, if any, on which it is granted.

13.03 Employees who have been elected or appointed by the Union to attend Union conventions or conferences or to other union business shall be granted a leave of absence by the Company provided no more than three (3) such employees are absent from work on such leave at any time. The Union will notify the Company in writing, as early as possible prior to the start of the leave, of the names of the members requiring leave. Seniority will accumulate during such period. There will be no more than two (2) employee's from one department.

13.04 The Company agrees to continue the pay of any employee absent from work on Union business leave under Article 13.03 and the Union shall reimburse the Company for such wage payment, including reimbursement for all mandatory deductions and statutory deductions and contributions including E.I, CPP, Employer Health Tax and WSIB premiums, within fifteen (15) days of receipt of a monthly statement.

13.05 The Company agrees to grant an employee leave of absence without pay for up to one (1) year to work in an official capacity for The Union, provided such request is made by an authorized representative of the Union. An extension of up to one (1) year shall be granted if requested in writing. Seniority shall continue to accrue for the employee while on this leave of absence.
ARTICLE 14

BULLETIN BOARDS

14.01 The Company agrees to provide enclosed bulletin boards with a lock in areas accessible to employees in the plant for the purpose of posting meeting notices and official Union information. Tools are not to be removed from the Company premises. Damaged tools will be replaced by the Company provided that the employee turns in the tool to the Company and the Company is satisfied that the tool needs to be replaced due to normal wear and tear. In the event that the employee asks the Company to provide him with a replacement for a lost tool, the Company shall be authorized to deduct the cost of such replacement from the employee’s wages.

**ARTICLE 17**

**REPORTING PAY**

17.01 Unless employees are notified not to report for work, employees who report for work at their regular starting time and for whom no work is available, shall receive not less than four (4) hours of work that is available at the rate of pay applicable to the job provided, or if no work is available shall receive four (4) hours of pay at their straight time hourly rate.
