ARTICLE 2 - Recognition

- 2.02 It is agreed that the word "employee" or "employees" wherever used in this agreement shall be deemed to refer only to an employee or employees in the bargaining unit as hereinbefore defined.
- 2.03 Where the masculine pronoun is used in this agreement, it shall be deemed to include the feminine, and vice versa, where the context so requires.
- 2.04
- a) A full-time employee is defined as an employee who is regularly scheduled to work the normal full-time hours referred to in Article 18 of the Collective Agreement.
 - b) A regular part-time employee is defined as an employee who regularly works less than the normal full-time hours referred to in Article 18 of the Collective Agreement and who offers to make a commitment to be available for work on a regular predetermined basis.
 - c) All other employees shall be considered as casual employees.
- 2.05 The Hospital agrees to notify the local President of the name, classification department and status of new bargaining unit employees on the first of each month.

ARTICLE 3 – No Discrimination

- 3.01 The parties agree that there shall be no discrimination within the meaning of the Ontario Human Rights Code against any employee by the Union or the Hospital by reason of race, creed, colour, age, sex, marital status, handicap, sexual orientation, political affiliation or activity, or place of residence. The Hospital and the Union further agree that there will be no intimidation, discrimination, interference, restraint or coercion exercised or practiced by either of them or their representatives or members, because of an employee's membership or non-membership in a Union or because of his activity or lack of activity in the Union.
- 3.02 It is further agreed that there will be no solicitation of members, collection of dues or other Union meetings on the premises of the Employer except as permitted by this Agreement or specifically authorized by the Employer in writing.

ARTICLE 4 – Union Security

- 4.01 The Hospital shall deduct an amount equivalent to the regular monthly Union dues in the amount certified by the Union to be currently in effect under the Union's constitution, according to the following conditions:
- a) All employees covered by this agreement shall, as a condition of employment, have deducted from their pay each month an amount equivalent to the regular monthly Union dues.
- New employees shall have deductions made on the first pay of the month following the month in which they were hired.
- c) The Hospital will remit such dues within fifteen days of the end of the month in which they were deducted. Such dues shall be remitted to the International Treasurer of the United Steelworkers at an address provided by the Steelworkers.
 - d) The Hospital agrees when forwarding Union dues to the Union to submit a list indicating:
 - i) the names of those employees from whom deductions have been made;
 - ii) names and dates of hire of those employees hired in the preceding month; and,
 - iii) names of those employees who terminated in the preceding month.

A copy of the list will be submitted to the local President or designate of the Union.

- 4.02 In consideration of the deducting and forwarding of Union dues by the Hospital, the Union agrees to indemnify and save the Hospital harmless against any claims or liabilities arising or resulting from the operation of this Article.
- 4.03 A new employee will have the opportunity to meet with a representative of the Union designated by the Union and in the employ of the Hospital during the employee's orientation period without loss of regular earnings. The purpose of the meeting will be to acquaint the employee with such representative of the Union and the collective agreement. Such meetings may be arranged collectively or individually for employees by the Hospital as part of the orientation program.
- 4.04 T-4 slips issued annually to employees shall show deductions made for Union dues.
- 4.05 The Hospital shall provide a listing of bargaining unit members (names, addresses) to the Staff Representative of the United Steelworkers on September 1 of each year.
- 4.06 The parties recognize that it will be the sole responsibility of the employee to promptly advise the Employer and the Union in writing of any changes to their address, telephone number, marital and/or dependent status.

ARTICLE 5 – Management Rights

- 5.01 The Union recognizes that the management of the Hospital and the direction of the employees are fixed exclusively in the Hospital and shall remain solely with the Hospital except as specifically limited by the provisions of this agreement and, without restricting the generality of the foregoing, the Union acknowledges that it is the exclusive right of the Hospital to:
- a) maintain order, discipline and efficiency;
 - b) hire, assign, retire, promote, demote, classify, transfer, lay-off, recall, and to suspend or discipline employees or discharge seniority-rated employees for just cause provided that a claim by any employee that he has been disciplined without just cause or a claim by a seniority-rated employee that he has been discharged without just cause may be the subject of a grievance and dealt with as hereinafter provided;
 - c) determine in the interest of efficient operation and high standards of service, the hours of work, work assignments, methods of doing the work and the working establishment for the service;
 - d) generally to manage the operation that the Hospital is engaged in

and, without restricting the generality of the foregoing, to determine the number of personnel required, methods, procedures and equipment in connection therewith; make, enforce, and alter from time to time reasonable rules and regulations to be observed by the employees which are not inconsistent with the provisions of this agreement.

- 5.02 The Hospital agrees that such rights shall not be exercised in a manner inconsistent with the provisions of this agreement.

ARTICLE 6 – Union Representation

- 6.01 The Hospital agrees to recognize a Grievance Committee composed of not more than three (3) employees (full-time and part-time).

The Grievance Committee, a steward and the grievors(s) shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending grievance meetings with the Hospital up to, but not including arbitration.

- 6.02 a) The Hospital agrees to recognize a Negotiating Committee of not more than five (5) employees (full-time and part-time). The Hospital agrees that the members of the Negotiating Committee shall suffer no loss of earnings for time spent during their regular scheduled working hours in attending such negotiating meetings with the Hospital up to, but not including arbitration.
- b) The Hospital agrees to recognize five (5) employee members of the Local Union Executive Board, for the purpose of communications with the Hospital.
- c) The Hospital agrees to recognize (20) employees as union stewards.

6.03 Labour Management Committee

Where the parties mutually agree that there are issues that would benefit from formal discussions during the term of this agreement, the following shall apply. Meetings between the Hospital and the Local Union President, Vice-President, Recording Secretary, (or their designates), shall be arranged at a mutually agreed time and place. A request for a meeting hereunder will be made in writing at least fourteen (14) days prior to the date proposed and accompanied by an agenda of matters proposed to be discussed. It is understood that such meetings will not be used to discuss grievances or other matters that are more properly the subject of negotiations. Union representatives shall receive their regular pay for all regularly scheduled working hours lost due to attendance at such meetings.

The Local Union Executive may request that the Union's staff representative attend Labour Management Committee meetings and such requests will not be unreasonably denied.

- 6.04 All committee members, stewards and members of the Union Executive must have completed their probationary period.
- 6.05 For the purpose of this article, the name and position of each of the committee members, stewards and members of the Local Union Executive Board, from time to time selected, shall be given to the Hospital in writing and the Hospital shall not be required to recognize any such committee members, stewards or members of the Local Union Executive Board until it has been notified.
- 6.06 The Union acknowledges and agrees that members of such committees and stewards have regular duties to perform in connection with their employment and only such time as is reasonably necessary for the prompt processing of Union business will be consumed by such persons during working hours.
- 6.07 The Union committee members and stewards will first obtain the supervisor's permission before undertaking Union business. When such Union business has been completed, the employee will advise the supervisor. Such permission shall not be unreasonably withheld.

ARTICLE 7 – No Strikes or Lock-out

- 7.01 The Union agrees there shall be no strikes and the Hospital agrees there shall be no lockouts so long as this Agreement continues to operate. The terms “strike” and “lockout” shall bear the meaning given them in the Ontario Labour Relations Act.

ARTICLE 8 – Grievance Procedure

- 8.01 For the purpose of this agreement, a grievance is defined as a difference arising between the parties relating to the interpretation, application, administration or alleged violation of this agreement including any question as to whether a matter is arbitral.
- 8.02 It is the mutual desire of the parties hereto that complaints of employees shall be adjusted as quickly as possible and it is understood that an employee has no grievance until he has first given his immediate supervisor the opportunity of adjusting his complaint. If an employee has a complaint, such complaint shall be discussed with his immediate supervisor within ten (10) calendar days after the circumstances giving rise to the complaint have originated or occurred. If the immediate supervisor is unable to adjust the complaint to their mutual satisfaction within five (5) calendar days, the

employee may proceed with the grievance procedure within five (5) calendar days following the decision of the immediate supervisor.

8.03 A grievance of an employee properly arising under this agreement shall be adjusted and settled as follows:

Step 1

Within five (5) calendar days following the decision of the immediate supervisor regarding the complaint, the employee, with the assistance of a union steward, must submit a written grievance to the Program Director/Senior Manager. The nature of the grievance, the remedy sought, and the provision of the agreement which are alleged to be violated shall be set out in the dated, signed grievance. The Program Director/Senior Manager will deliver a decision in writing within seven (7) calendar days of his/her receipt of the written grievance. The parties may, if they so desire, meet to discuss the grievance at a time and place suitable to both parties. Such a meeting shall be with the Grievance Committee. Failing settlement, the next step in the grievance procedure may be taken.

Step 2

Within five (5) calendar days following the decision under Step 1, the grievance must be submitted to the Director of Human Resources (or his designate) to be discussed at a meeting between the Executive Director (or his designate) and the Grievance Committee, including the grievor(s) within five (5) calendar days of receipt of the grievance. Either party may have assistance from outside the Hospital at the meeting if desired. The Director of Human Resources (or his designate) shall give his written disposition within five (5) calendar days of the day of such meeting. Failing settlement, either party may submit the matter to arbitration within thirty (30) calendar days after the reply at Step 2 is given or should have been given.

8.04 **Policy Grievance**

A grievance arising directly between the Hospital and the Union concerning the interpretation, application, or alleged violation of the agreement must be originated under Step 2 within ten (10) calendar days of the event giving rise to the grievance. Failing settlement under step 2 within five (5) calendar days, it may be submitted to arbitration in accordance with Article 9. However, it is expressly understood that the provisions of this paragraph may not be used by the Union to institute a complaint or grievance directly affecting an employee which such employee could himself institute and the regular grievance procedure shall not be thereby by-passed.

8.05 **Discharge Grievance**

A grievance involving the discharge of an employee must be reduced to writing and originated under Step 2 within five (5) calendar days of the employee being notified of his discharge.

8.06 All agreements reached under the grievance procedure between the representatives of the Hospital and the representatives of the Union will be final and binding upon the Hospital and the Union and the employee or employees involved.

8.07 **Group Grievance**

Where two (2) or more employees have identical grievances and each employee would be entitled to grieve separately, all such employees shall sign a grievance form and submit the grievance at Step 2 within five (5) calendar days of the event giving rise to the grievances subject to all applicable provisions under the Grievance Procedure.

8.08 If the Hospital does not reply within the time limits stated in the article, the grievance may be submitted to the next step of the grievance procedure. In such cases, for the purpose of proceeding to arbitration, the grievance shall be considered to have conformed to the requirements of the Grievance Procedure. Similarly, if the Union does not proceed to the next step within the time limits, the grievance is deemed to be withdrawn.

ARTICLE 9 - Arbitration

9.01 If the Hospital or Union requests that a grievance be submitted to arbitration, as hereinbefore provided, it shall make such request in writing addressed to the other party to this agreement, and at the same time name a nominee. Within ten (10) calendar days thereafter the other party names a nominee, provided, however that if such party fails to name a nominee as herein required, the Office of Arbitration of the Ministry of Labour of the Province of Ontario shall have power to effect such appointment upon application hereto by the party invoking the arbitration procedure. The two nominees shall attempt to select by agreement a chairman of the Arbitration Board. If they are unable to agree upon such a chairman within a period of fourteen (14) calendar days, they shall then request the Office of Arbitration of the Ministry of Labour of the Province of Ontario to appoint a chairman.

9.02 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.

9.03 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.

9.04 The Board of Arbitration shall not have any power to amend, alter, modify or

add to any of the provisions of this agreement or to substitute any new provisions for any existing provisions, nor to give any decision inconsistent with the terms and provisions of the agreement.

- 9.05 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority and where there is no majority, the decision of the chairman will be final and binding upon the parties hereto and the employee or employees concerned.
- 9.06 Each of the parties hereto will bear the expenses of the nominee appointed by it and the parties will share equally the fees and expenses, if any, of the chairman of the Arbitration Board.
- 9.07 The time limits set out in both the grievance and arbitration procedures herein are mandatory and failure to comply strictly with such limits except by the written agreement of the parties, shall result in the grievance being deemed to have been abandoned subject only to the provisions of Section 49 of The Labour Relations Act. Such time limits shall exclude Saturdays, Sundays and paid holidays.
- 9.08 As an alternative to the above provision if the Hospital or Union requests that a grievance be submitted to arbitration the parties may mutually agree to a sole arbitrator. The parties agree to share equally the fees and expenses related to the sole arbitrator.

ARTICLE 10 - Seniority

- 10.01 (a) A new employee will be considered on probation until after he has completed ninety (90) days of work from date of last hire (675 hours of work for employees whose regular hours of work are other than the standard work day). New employees are to be evaluated at the mid-point of their probationary period. Upon completion of such probationary period, the employee shall be credited with seniority from date of last hire. The dismissal of a probationary employee shall not be the subject of a grievance and is at the sole discretion of the Hospital unless the probationary employee is released for reasons which are arbitrary, discriminatory, in bad faith or for exercising a right under this agreement.

b) **Applicable to Full-time Employees**

An employee who transfers from part-time to full-time status shall not be required to serve a probationary period where he has previously completed one since his date of last hire. Where no such probationary period has been served, the number of hours worked during the twelve months immediately preceding the transfer shall be credited toward the probationary period.

Applicable to Part-time Employees

An employee who transfers from casual to regular part-time status shall not be required to serve a probationary period where he has previously completed one since his date of last hire. Where no such probationary period has been served, the number of hours worked during the 12 months immediately preceding the transfer shall be credited toward the probationary period.

c) **Applicable to Full-time and Part-time Employees**

- i. An employee whose status is changed from full-time to part-time shall receive credit for his full seniority and service;
- ii. An employee whose status is changed from part-time to full-time shall receive credit on the basis of one (1) year for each 1725 hours worked. Such employee shall be enrolled in the employee benefit plans subject to meeting any waiting period or other requirements of those plans.
- iii. An employee whose status is changed from regular part-time or casual to full-time status shall not receive credit for seniority for any hours worked in excess of 1725 hours in a calendar year.
- iv. In the application of seniority, no employees' seniority date may pre-date their start date.

- d) With the written consent of the Hospital, the probationary employee, and the President of the Local Union, such probationary period may be extended. Where the Hospital requests an extension of the probationary period, it will provide notice to the Union at least seven (7) calendar days prior to the expected date of expiration of the initial probationary period. Any extensions agreed to will be in writing and will specify the length of the extension.

- 10.02
- a) Separate seniority lists of full-time, regular part time and casual employees shall be prepared according to the records of the Hospital two (2) times a year on or about June 1st and December 1st of each year. Such lists shall be posted on the bulletin board, a copy sent to the Union and a copy saved on the computer in a folder which is accessible to the employees. If an employee does not challenge the position of his name on the seniority list within the first ten (10) working days from the date his name first appears on a seniority list, then he shall be deemed to have proper seniority standing.
 - b) In the event the employee is not at work when the list is posted he must object to his seniority standing within ten (10) working days from the date he returns to work or receives the list. The seniority rights of employees on any seniority list set out above, and lay off and recall rights of such employees shall be separate and distinct

from employees on any other seniority list set out above.

- c) Part-time and casual employees shall have their seniority expressed on the basis of hours worked.

10.03 **Transfer and Seniority Outside the Bargaining Unit**

For employees transferred out of the bargaining unit:

- a) It is understood that an employee shall not be transferred by the Hospital to a position outside the bargaining unit without his consent.
- b) An employee who is transferred to a position outside the bargaining unit shall not accumulate seniority. In the event the employee is returned by the Hospital to a position in the bargaining unit, he shall be credited with the seniority held at the time of transfer and resume accumulation from the date of his return to the bargaining unit.

10.04 An employee shall lose all seniority and shall be deemed to have terminated if he:

- a) voluntarily resigns his employment;
- b) is discharged and not reinstated through the grievance/arbitration process;
- c) has been laid off for the lesser of his length of seniority or twenty four (24) calendar months;
- d) is absent from scheduled work for a period of three (3) or more consecutive working days without notifying the Hospital of such absence and providing a reason satisfactory to the Hospital;
- e) fails upon being notified of a recall to signify his intention to return within three (3) calendar days after he has received the notice to recall mailed by registered mail to the last known address according to the records of the Hospital and fails to report to work within seven (7) calendar days after he has received the notice of recall or such further period of time as may be agreed upon by the parties. It is the employee's responsibility to ensure that his home address and telephone number are current at all times. If the employee fails to do this, the Hospital will not be responsible for failure to notify.
- f) fails to return to work upon the expiration of a leave of absence, or unreasonably utilizes a leave of absence for a purpose other than that which it was granted unless excluded by the Hospital in writing;
- g) refuses to continue to work or return to work during an emergency,

unless a satisfactory reason is given to the Hospital;

- h) An employee shall lose all seniority and deemed to have terminated if he: is absent due to illness, injury or disability for a period of twenty-four (24) months from the time the disability or illness commenced.

NOTE: This clause shall be interpreted in a manner consistent with the Ontario Human Rights Code.

ARTICLE 11 – Notice of Lay-off

11.01 a) **Notice**

In the event of a proposed layoff at the Hospital of a permanent or long-term nature or the elimination of a position within the bargaining unit, the Hospital shall:

- i) provide the Union with no less than four (4) months' written notice of the proposed layoff or elimination of position; and
- ii) provide to the affected employee(s), if any, no less than four (4) months' written notice of layoff, or pay in lieu thereof.

Where a proposed layoff results in the subsequent displacement of any member(s) of the bargaining unit, the original notice to the Union provided in i) above shall be considered notice to the Union of any subsequent layoff.

- b) With respect to the development of any operating or re-structuring plan which may affect the bargaining unit, the Union shall be involved in the planning process from the early phases through to the final phases of the process.

i) **Staff Planning Committee**

In addition to that, and to any other planning committee in the Hospital of a more broadly representational make-up, there shall be immediately established a Staff Planning Committee for the bargaining unit, which shall meet during the term of this agreement every three months, unless otherwise mutually agreed by the parties.

It shall be the function of the Staff Planning Committee to consider possible ways and means of avoiding or minimizing potential adverse effects upon employees in the bargaining unit including:

Composition and Meetings

The Committee shall be comprised of equal numbers of representatives of the hospital and from the Union. The number of representatives is to be determined locally, and shall consist of at least two representatives from each party.

Meetings of the Committee shall be held during normal working hours. Representatives attending such meetings during their regularly-scheduled hours of work shall not lose regular earnings as a result of such attendance. The Hospital shall make typing and other such clerical assistance available as required.

Each party shall appoint a co-chair for the Committee. Co-chairs shall chair alternate meetings of the Committee and will be jointly responsible for establishing the agenda of the Committee meetings, preparing minutes and writing such correspondence as the Committee may direct.

Disclosure

To allow the Staff Planning Committee to carry out its mandated role under this Article, the Hospital will provide the Committee with all pertinent financial and staffing information and with a copy of any reorganization plans which impact on the bargaining unit.

Accountability

The Committee shall submit its written recommendations to the Executive Director of the Hospital and the Board of Trustees. Where there is no consensus within the Committee, the individual members of the Committee shall be entitled to submit their own recommendations.

11.02 In all other cases of layoff, the Hospital shall give each employee in the bargaining unit who has acquired seniority one (1) week's notice provided however, such notice shall not be required if the layoff occurs because of emergencies (for example, fire, act of God, power failure or equipment

- 11.13 A laid off employee shall retain the rights of recall for a period of twenty-four (24) months from the date of layoff.
- 11.14 Any agreement reached between the Hospital and the Union concerning the method of implementing layoffs will take precedence over other terms of layoff in the Agreement.

ARTICLE 12 – Technological Change

- 12.01 a) Technological change means the automation of equipment, or the mechanization or automation of operations, or the replacement of existing equipment or machinery with new equipment or machinery which results in the displacement of an employee from his/her job.
- b) Where the Hospital has decided to introduce a technological change which will significantly alter the status of an employee within the bargaining unit, the Hospital undertakes to meet with the Union to consider the minimizing of adverse effects (if any) upon the employees concerned.

- c) Where new or greater skills are required than are already possessed by affected employees under the present methods of operation, such employees shall be given a period of training, with due consideration being given to the employee's previous educational background, during which they may perfect or acquire the skills necessitated by the new method of operation. The employer will assume the cost of tuition and travel. There shall be no reduction in wage or salary rates during the training period of any such employee. Training shall be given during the hours of work wherever possible and may extend for up to six (6) months.

This clause would not preclude such employees from using the job posting provision under the Collective Agreement and any successful applicant who has completed his probation period will be credited with the appropriate seniority.

The Hospital will outline to the employees selected to fill such temporary vacancies and the Union, the circumstances giving rise to the vacancy, and the special conditions relating to such employment.

(referred to as the 'Union')****Job Sharing**

1. Job sharing is defined as an arrangement whereby two employees share the hours of work of what would otherwise be one full-time position.
2. Once the Hospital has determined that a vacancy exists and has agreed to a job sharing arrangement, the vacancy or vacancies will be posted and filled in accordance with Article 10 of the Part-Time Collective Agreement. If the vacancy is the result of a request from a full-time employee to job share, the full-time employee will occupy her half of the position and the other half will be posted in accordance with Article 10.
3. The employees involved in a job sharing arrangement will be classified as regular part-time and will be covered by the provisions of the Part-Time Collective Agreement.
4. The following conditions will apply to job sharing arrangements:
 - a) Job Sharers agree to share the full-time schedule as it has been prepared by the department manager.
 - b) Job Sharers agree to replace each other, in the event that one job sharer is unable to work their scheduled shift due to sickness, vacation, etc.
 - c) Job Sharers will be responsible for ensuring coverage of all scheduled shifts.
5. Successful applicants will assume Job Sharing positions for a six (6) month trial period. During the trial period applicants can return to their former position. Upon expiry of the trial period the job sharers will become permanent.
6. If one of the job sharers leaves the arrangement and the remaining job sharer is the original full-time employee who offered her position for job sharing she shall be provided with the option of returning to the full-time position. In order to exercise this option the employee shall submit a written request to her immediate supervisor. If the job sharer declines this option, the vacated job sharing position

will be posted. If there is no successful applicant to the position, the vacated position will revert to a regular part-time position and will be posted in accordance with Article 10.

- 7. When job sharers request extra shifts it is understood that the available work will be equitably distributed among all regular part-time and job sharers only after the regular part-time, excluding job sharers, have been scheduled thirty-seven and one half (37.5) hours in a two week period.

RE: Call-Ins

1. For a shift that comes available it first must be offered to the most senior part time worker **(who owns a part time position on the department where the shift is available)** which has less than 45 hours scheduled in the pay period.
2. When all part time workers are at 45 hours within the pay period the shift must be offered to the most senior part time worker who has less than 75 hours and is available that day. **Workers already scheduled to work a shift that day are not considered available to take an additional shift or alternate shift (it's considered scheduled)**. In the event that no coverage is found the shift could be extended at regular rate as per Article 18.08c) Added shift must not activate any overtime.
3. If no part time workers are available to cover the shift it will be offered to casual workers. If no casual workers are available it will be offered to the full time workers in order of seniority. (This may activate Overtime.) If the part-time does not have full complement and the overtime shift is less than four (4) hours the shift will be offered to part-time employees in order of seniority.
4. If no full time workers are available to cover the shift it will then be offered to the Part time workers who has more than 75 hours, in order of seniority. (This may activate Overtime).
5. If an error is made by the Central Scheduling in the above mechanism for shift distribution, it will be resolved by offering the aggrieved employee a shift at a time agreeable to the employee and the employer (this shall include vacant shifts). Shift must be taken within the 45 days or shift will be annulled.

6. Shifts that need to be filled in advance will be done so under the following parameters:

(a) Shifts available more than forty-eight (48) hours:

The employee called by seniority if not reached has twenty-four (24) hours to return call.

(b) Shifts available with less than forty-eight (48) hours and shifts offered on a Friday for a weekend and statutory Holiday:

A call placed is a tour offered.

7. Once a shift is accepted the worker is required to fulfill the assignment. A shift exchange may be granted at the Manager's discretion.
