**Re: D3 Summer School – June 10-15, 2018**

---

Once again, District 3 will be holding the weeklong Summer School at the Trickle Creek Lodge & Kimberly Alpine Resort on June 10-15, 2018.

I am pleased to announce the following courses will be offered this year:

- Advanced Arbitration - *New*
- Bargaining
- Facing Management
- Occupational Health and Safety
- Leadership for Action
- Political Action and Lobbying - *New*
- Globalization

The school commences with registration on **Sunday, June 10th** and continues until noon on **Friday, June 15<sup>th</sup>**. Registration is **\$1100.00 per person** (multiple occupancy – no single or family accommodation available). Registration fees include all meals from Sunday evening to Friday lunch.

For those students new to our school we will be holding registration in the Stemwinder from 2pm – 5pm and a “Welcome” barbeque for all at 6pm.

Please see the enclosed registration form and course outlines. *One form must be completed for each local union delegate* and submitted to the District 3 office, **with the registration fee**, no later than **May 11, 2018**.

.../continued

We look forward to your Local's participation in this year's school.

In solidarity,

Stephen Hunt  
Director, District 3

*All registrants will be screened to ensure eligibility or prerequisite requirements have been met. Those applicants who have not completed prerequisite courses or who have taken their first choice course previously will be assigned their second choice.*

## **2018 SUMMER SCHOOL COURSES**

### **1. ADVANCED ARBITRATION - NEW**

This course is an advanced course that will give participants basic knowledge of preparing and presenting at arbitrations. This will include presenting evidence, examination and cross examination, and opening and closing statements. **Prior to the class, participants may be sent a case to prepare so please ensure that their email address is included in the registration.**

**PREREQUISITE:** Participants must have completed Advanced Grievance Handling or have previous experience with arbitrations and comfort with accessing case law.

***NOTE: If you have access to a laptop please bring it with you. If your local has access to Labour Spectrum, please make sure you can access it.***

### **2. BARGAINING**

This course will assist members who serve on Bargaining Committees to understand the collective bargaining process. This course will prepare participants to work as part of the negotiating team. Participants will be better prepared for events in getting both themselves and the membership “ready and engaged” in the bargaining process. It will ensure participants are aware of the challenges they will face both within and outside of the committee while carrying out their responsibilities. Communication with the membership will be a key part of this training.

### **3. FACING MANAGEMENT**

This course offers an opportunity to learn new skills and strategies for Steelworker activists to use in joint labour-management committees and as a shop steward. This course is designed for new and experienced activists that would like to learn about union-management relations, traditional and modern management theories and systems, and the history of work organization. Communication skills, group dynamics training, and conflict resolution skills will be emphasized. The course offers hands-on practice sessions in skill-building techniques so that you will be as comfortable in the boardroom as you are at a union meeting.

### **4. LEADERSHIP FOR ACTION**

Steelworkers are leaders inside and outside of our workplaces: protecting workers' rights, speaking out for change, and motivating and encouraging the participation of members at work, in our communities and through political action. Leadership for Action will help you develop leadership skills, building on your strengths to communicate effectively with members to build solidarity. Sessions focus on leadership styles, presentation skills, strategic planning, campaign management, mentoring, problem-solving and conflict resolution.

### **5. OCCUPATIONAL HEALTH & SAFETY**

This course is designed to acquaint participants with provincial health and safety law along with Part II of the Canada Labour Code, its regulations, related laws, occupational health, principle of controls, workplace inspections, accident and incident investigations and other knowledge relevant to the duties of workplace committee members or health and safety representatives.

## **6. POLITICAL ACTION AND LOBBYING - NEW**

This course will cover how to speak to elected officials and move our political agenda forward. Over the week, participants will learn the basics of the political system and how to speak to elected officials about our issues. The course will also cover how to support USW candidates from municipal to federal jurisdictions as well as how to communicate our issues to the broader public as well as our local membership.

## **7. GLOBALIZATION**

Steelworkers are dealing with the consequences of globalization. Across the union, our members are negotiating with large multinationals for which Canadian workplaces are but a small part of their global operation. Consequences of this leave our members reeling from job losses brought on by free trade agreements, facing environmental degradation as the legacy of reckless resource extraction and long standing regulations that protect workers are eliminated. This course will look at the ideas sustaining this model of globalization, the tools utilized by employers and governments to gain support from workers and communities, the response from unions at the bargaining table and in politics, and the alternatives for a model of development rooted in global justice.

**DUE TO THE NUMBER OF COURSES BEING OFFERED CLASS SIZES AND  
REGISTRATION WILL BE LIMITED**

**FIRST COME, FIRST SERVE BASIS – ENROLL EARLY**

## *Scholarship*

---

In memory of Brother Kilbride, District 3 Director Stephen Hunt is offering a scholarship to a local union member who wants to participate in the Advanced Arbitration.

To apply for this scholarship you are asked to write a 300-word essay on: **“Factors to consider when making the decision to move forward in advancing a grievance”**. The essay is to be sent to the District 3 office no later than **May 11, 2018** along with a completed registration form and registration fee of \$1100.00. The local of the successful applicant will be reimbursed the registration fee.

Brother Robbie Kilbride passed away on June 7, 2004, leaving behind a long legacy of participation in the District 3 Summer Schools. His years of dedication to the Arbitration course have left his mark not only on the course but also on the hundreds of students who witnessed Robbie at his finest in the classroom. When it came to instructing others and mentoring Shop Stewards, Robbie was an accomplished teacher.

Robbie started his career at IPSCO in Port Moody, BC as a member of Local 5404 in 1974. Robbie held many positions in his local, including President. When IPSCO closed its operation in 1989, Robbie became an Organizer for the Steelworkers.

In June of 1990, Robbie became a Staff Representative and was assigned to service in Kimberley, BC. His skills at the bargaining table and before an Arbitration Board assisted him to carry the local unions in the area through some difficult times. His passion was doing arbitrations and he was widely known and respected for his abilities by trade unionists, as well as employers and the lawyers he went up against.

In June of 1995, Robbie was assigned to the Trail, BC office where he remained until 2000, when he was transferred to the Winnipeg office and became the Area Supervisor. He was also the District 3 Health and Safety Coordinator and a member of the National Health and Safety Committee. Robbie was an active member of the NDP and sat on the Manitoba Federation of Labour.
