

Raising the Bar on Women's Health and Safety

A national campaign to increase awareness of women's health and safety issues and treat them for what they are: **core USW health and safety issues.**

You can help:

- VISIT OUR **WEBPAGE** at usw.ca/raisethebar.
- On our **webpage** you can:
 - READ and DOWNLOAD the USW Action Guide for Raising the Bar on Women's Health and Safety.
 - SIGN-UP for campaign updates.
- ENCOURAGE women in your local to speak out if they have health and safety concerns, to express interest in being on the health and safety committee and to attend training.
- LISTEN and RESPECT when women name their health and safety concerns.
