United Steelworkers Association

Thank you for bringing the issue of the Westray Law to the attention of The Village of Burns Lake Council. We believe that worker safety is of the utmost importance, and we are happy to provide this supporting resolution, carried unanimously at our September 2, 2014 meeting of Council:

2014-09-02: 181

THAT Council endorse the principle of the Westray Law and encourage it to be enforced throughout the country.

Thank you again for taking the time to share your initiative with us. Please contact the Village of Burns Lake office at 250-692-7587 or village@burnslake.ca if you have any further questions or concerns.

Sincerely,
